

## FLEET CAPTAIN ANNOUNCEMENT

To all Fleet members (boaters and non boaters) who would like to participate in the North Palm Beach Yacht Club boating functions. Enclosed is a list of events we will be going to this year.

We are trying to add some new Marinas and trips to this years schedule and you will be notified and given all the needed details if you are interested. **(Please feel free to E-Mail or call me with any questions about any event.)**

The Marinas we attend vary in size and scope and have amenities like pools and club houses that we use for our activities. We normally have a dock party upon arrival the first night and a dinner at the marina or nearby restaurants the second night depending on how many days we stay.

**Please look** over the list of events and see if they fit into your schedule, you will have a **GREAT** time and get to put some hours on your boat.

**To all non boaters who are interested in coming to these events and would like to either go by car or ride with a boater, please call me and I will set you up with a boater who will be more than happy to take you. I will also give you information on the hotels and cab service near the marinas.**

**Remember we have a raft up almost every month; it's a good time to meet all your fellow boaters. All those who wish to attend can be picked up at the North Palm Beach Marina's gas dock across from Old Port Cove or meet at a convenient location. Please call for arrangements.**
